Delphi Corp Case # 05-44481 filed October 8, 2005  
Document # 14705 to Cancel OPEB (Health Insurance Benefits) for all Retirees

Dear Judge Drain:

This letter is to express my concerns with Document #14705 filed by Delphi Corporation on February 4, 2009 asking the court to cancel health insurance benefits (OPEB) for over 15,000 people who are retirees of Delphi Corporation.

Please note that this letter is an **OBJECTION** to that document and file it as a motion to object to document #14705.

This document was filed with no previous warning to any of the current employees and retirees of Delphi Corporation and was only made known to us via letter on February 5, 2009 and gave us a mere twelve days to file our objections.

Retirees of Delphi were given every reason to believe that the company would provide health care assistance equivalent to what was available during our employment. This benefit would last from the qualifying length of service until age 65. This unanticipated and rapid change in benefit does not allow retirees that have made financial plans for their retirement to adjust. The current economic climate does not allow finding new employment during retirement to make up for the lost benefit. It will have huge impacts not only on the retirees and soon-to-retire, but also every community where retirees live.

It is my belief that there are other ways to restructure the company and still retain health care for retirees. Health care benefits are currently scheduled to stop at the age of 65 for all retirees. This cost is a decreasing cost to the company as each of us reaches that 65 age milestone.

Please know that each of the 15,000 + retirees and soon-to-retire, who will be negatively impacted by this action, will be looking to you for your consideration when making the decision concerning Document #14705 dated February 4, 2009.

**We ask you to REJECT this motion.**

Sincerely yours,

David C. Shuler
